PGM-FI

FEATURES

**125CC, LIQUID-COOLED,
PGM-FI, ESP ENGINE**

Power meets efficiency and proven Honda innovation in the liquid-cooled engine of the New Click125. Experience game-changing performance with every ride.

**NEW TWO-TONE
COLOR COMBINATION**

Featuring a new two-tone color combination with a striking sporty finish.

WIDE TUBELESS TIRES

Experience precise handling with a cast wheel with wide tubeless tires.

USB CHARGER

A necessity for the everyday rider. Charge your device with The New Click125's Charging Port.

WAVY DISC BRAKE

Hit the brakes in style. The New Click125 features wavy disc brake for next-level stopping.

FULL DIGITAL METER PANEL

All your essential riding information in clear full display.

COMBINED BRAKE SYSTEM

Honda's signature combined brake system keeps The New Click125 stable during deceleration and steady with efficient brake control.

PARK BRAKE LOCK

For extra safety while at a standstill by keeping brakes engaged through a lever lock.

ALL LED-LIGHTING SYSTEM

The New Click125 features an all-LED headlight, tail-light and winker for a safer ride.

18L LUGGAGE BOX

Conveniently placed spaciously accommodating. Store your helmet and personal belongings safely.

SECURE KEY SHUTTER

Honda innovation at its finest. This magnetic safety ignition also doubles as seat eject button.
